This is an opportunity to assist the Nebraska Extension - 4-H College & Career Success Team in the facilitation of the Big Red Camps program offered to high school students, sophomores through seniors, at the University of Nebraska-Lincoln June 2023.

**Job Responsibilities**

- In collaboration with Nebraska Extension Educators & UNL Faculty,
  - create a safe and inclusive positive youth development experience for program participants;
  - monitor behavior and, if necessary, use appropriate discipline techniques to ensure a high quality program for all campers, faculty, and staff;
  - lead a camp group, establishing good relationships with your assigned campers.
  - assist with facilitating programming efforts as needed; and
  - live onsite for the duration of training and Big Red Camps 2023.

**Preferred Qualifications**

- College experience preferred;
- Ability to work collaboratively with other staff in a team-oriented environment;
- Experience and demonstrated ability in working with youth and youth organizations, including understanding of positive youth development and youth program management;
- Successful experience teaching in a formal or non-formal setting; and
- Capability to supervise and ensure the safety of students.

**Program Format**

- Camp staff positions are contracted at a rate of $65/day plus room and board.
- Pay increases are possible for specialized skills and/or returning camp staff.
- The position will include orientation/training June 8-10, 2023, camp June 11-16, 2023, and a virtual feedback session at a later date in June.
- Salary support comes through the Big Red Camps registration fees.
