**WEDNESDAY, APRIL 17**

**11 - 2 P.M.**

**LUNCH PROVIDED**

**MILITARY & VETERAN SUCCESS CENTER // ROOM 16 NEBRASKA UNION**

At Fiserv we provide the military community with career opportunities, educational resources, and business solutions. We value the unique abilities and outlook that former service members, military spouses, Guard and Reservists, and military family members bring to our team of innovators. We are committed to the military community and recognize the important role our service members and their families play in the protection of our nation.

At Fiserv we believe that hiring qualified military connected students and helping them grow professionally isn't just the right thing to do — it's also good business. Whether you seek a position in finance, operations, sales, marketing or information technology, you can find the right fit.
